THANK YOU FROM PASTOR JOSH::

First and foremost, thank you to our church family at First Baptist Brunswick for your support and encouragement during this season.

To the staff of First Brunswick, thank you for your tireless effort to serve the body of Christ and our community.

Thank you to the Worship Ministry of First Brunswick for their effort and time during these last several months. We are grateful to serve beside you each week.

Thank you to Laura Westberry for her relentless pursuit of excellence and service unto the Lord for her church and Worship Ministry family. You are such a blessing.

Thank you to my Pastor for his support of this ministry and for leading strong as the pastor and worshipper for our entire church.

Thank you to Carson Neal for his time and effort, working tirelessly to program all of our lighting and automations.

Thank you to the media and tech teams. You help us achieve the goals before us and allow us to worship freely each Sunday.

A big thank you to Tracey Wendel, Mary Gibbs, and the rest of the team for First Kids Praise. We are grateful for your sacrifice for our kids of First Baptist Brunswick.

Thank you to Linda Stewart and her decorating team for making sure the the First Brunswick sanctuary was beaming with Christmas joy, for this event and the Christmas season.

Thank you to JoAnn Holden for bringing our nativity to life and for her efforts to do things with excitement and joy.

Thank you to the Student Ministry for helping us prepare the sanctuary for decorations by unloading boxes and helping us have things in order.

Thank you to John Sullivan, our Student Pastor, for putting together our emoji video and faithfully taking pictures for our ministry.

Thank you to the parents and children that serve in Kids Praise. You are investing in the future worship leaders of our church and your efforts do not go unnoticed. Thank you to my wife, Amy. She is gracious in allowing me to have time to research and prepare for events, she helps me plan and pray, I couldn't do ministry without her.

And you all...thank you for coming and enjoying this special evening with us. We pray you feel His presences in this Christmas season.
