Prayer Guide

Hebrews 11:1-2, 32-39

1 Now faith is the certainty of things hoped for, a proof of things not seen. **2** For by it the people of old gained approval. - **32** And what more shall I say? For time will fail me if I tell of Gideon, Barak, Samson, Jephthah, of David and Samuel and the prophets, **33** who by faith conquered kingdoms, performed acts of righteousness, obtained promises, shut the mouths of lions, **34** quenched the power of fire, escaped the edge of the sword, from weakness were made strong, became mighty in war, put foreign armies to flight. **35** Women received back their dead by resurrection; and others were tortured, not accepting their release, so that they might obtain a better resurrection; **36** and others experienced mocking and flogging, and further, chains and imprisonment. **37** They were stoned, they were sawn in two, they were tempted, they were put to death with the sword; they went about in sheepskins, in goatskins, being destitute, afflicted, tormented **38** (people of whom the world was not worthy), wandering in deserts, on mountains, and sheltering in caves and holes in the ground. **39** And all these, having gained approval through their faith, did not receive what was promised,
